Provided by Government

This scholarship is offered by the Government of India / State Government under various welfare schemes for students belonging to OBC, ST and SC categories.

Through Which Scheme?

The scholarship is generally provided under schemes like:

- Post Matric Scholarship Scheme (State Government)
- Central Sector Scheme of Scholarship for College and University Students
- Other relevant government welfare schemes (as per the current academic year).

How Our College Helps

Our college ensures a smooth conduction of the entire scholarship process so that you get the benefit without any hassle. We provide:

- Guidance for eligibility and application process
- Assistance in filling and submitting forms
- Support in document verification and verification with government portals
- Regular updates and follow-ups
- Help at every step — from paper work to final approval

Why It Matters?

This scholarship helps reduce your financial burden, encourages quality education and empowers you to become a skilled and confident nursing professional.

Your Hard Work + Government Support + Our Guidance = A Brighter Future
